24. DCI-Requested Resolution Analysis

Work continuing by NPIC on briefing and report for DCI; estimated completion date, 1 October. Action Officer: CPAD/

25. Training

ADP package containing IC Staff developed format for Community Catalog of Education/Training courses will go to the Agency for review next week. The Agency is interested in using the program as the sole vehicle for the production of various training catalogs presently being produced within CIA (OTR, OTS, and OC produce separate catalogs which use different formats, etc.). This action signals our initial move to introduce a single education/training catalog which will index all Community courses. Aside from its obvious value to Community consumers, the document will also serve as a valuable tool for the review of Community education/training programs. Action Officer: PRD/

26. IHC Data Standards Panel

Report is in draft coordination stage on a report to IHC, thereafter to USIB via D/DCI/IC. The report appraises the current state of the Community's efforts on this subject; these efforts are generally inadequate. Action Officer: IHC/

27. State/INR Computer System Upgrade

Following instructions in DCI letter to D/INR proffering aid from AC/IHC, discussions held with State/INR IHC representative, Mr. Berry. He will provide technical information on his proposal for a \$600,000 FY 1976 item in State's budget, and his follow-on planning for later years. Since his planning involves equipment now being checked out by CIA/Office of Communications, we will bring these people together to exchange information. Action Officer:
